<sup>1</sup> Student credit hours (SCH) are calculated by multiplying the course credit by the number of students enrolled in the course. Full-time equivalent (FTE) instructors include faculty and teaching assistants paid from general university funds. October payroll is used for fall semester; March payroll is used for spring semester. Colleges are organized for all years by the college structure existing on June 30, 2017.

<sup>2</sup> College of Agriculture and Life Sciences and College of Human Sciences FTE and SCH/FTE data for Fall 2013 and Spring 2014 do not include Food Science and Human Nutrition (FSHN). FSHN data is included in the Total - All Colleges FTE and SCH/FTE. FSHN total FTE: Fall 2013=21.82; Spring 2014=22.34, and SCH/FTE: Fall 2013=374; Spring 2014=351.

<sup>3</sup> Beginning FY2014-2015, all data are sourced from the e-Data warehouse, which assigns SCH to departments and colleges using course splits designated by teaching departments.

<sup>4</sup> Interdisciplinary, Library, and Military Sciences SCH and FTE are excluded from the SCH per FTE ratios. "Other" also includes SCH with no associated instructor FTEs and SCH and FTEs not assigned to academic departments (which are excluded from college and All Colleges SCH/FTE ratios as well). The All Colleges ratio also excludes Veterinary Medicine.
