¹ Full-Time Equivalent (FTE) is based on the appointment fraction of each employee.² FTE and headcount reported elsewhere in the Fact Book does not match the total here because this page excludes non-college units (e.g., President, Extension, Ames Lab, etc.) and Non-Academic Rank Faculty.³ Beginning in 2013, counts include all faculty and other employees in the college where they work (home department - where their primary office is located). For 2013, FTE was based on the fraction of each person's annual appointment in their home department and includes all employees whether or not they were paid in October, which matches data found in the e-Data warehouse.⁴ For all reporting years prior to 2019, data matches the e-Data Warehouse values.⁵ Beginning in 2019, FTE is based on the fraction of each person's annual appointment in their primary department for which they are receiving the most funding. Additionally, these numbers reflect each employee's status as of October 31st. Data now reflects Workday HCM and Finance values.⁶ "Term Faculty" were formerly known as "Non Tenure-Eligible Faculty"
